CIRCULAR (Classes KG I to XII)

Dear Parents,

Greetings of the Day!

As you are aware that Kerala has been devastated by unprecedented flood and almost all places across Kerala have been affected by this disaster wherein hundreds of thousands of people have been displaced. Three days of incessant rains have literally washed away the lifelong earnings of thousands of families. It is definitely an uphill task for the affected people to regain and resurrect from the current turmoil.

It is at this juncture that a socially responsible establishment like the Indian School System in Oman can intervene to provide support through its newly instituted initiative 'Young Communitarian of Indian Schools' under the aegis of Board of Directors, Indian Schools in Oman. After deliberations, YCISians have decided that 2-3 Secondary Schools in the flood affected area will be renovated and brought to high standard through YCIS. The approximate cost for rebuilding one Secondary School is INR 11485000/-. The YCIS Club of our school is planning to raise R.O.15000/- for the contribution towards the same as Indian Social Club, the only organization to collect funding for Kerala Flood victims in Oman have authorized Board of Directors Indian Schools to collect the fund through Indian Schools on their behalf.

As the Parent of ISD, you are requested to send your contributions towards this noble cause through your ward to the respective Class Teachers latest by 15th Oct 2018.

Thanks & Regards,
