CIRCULAR (Classes IX & X)

Dear Parents

Greetings from ISD!

To foster holistic development, ISD provides to the students, a number of School Clubs, both academic and co-curricular. The wealth of activities offered through these clubs capitalizes on the student's interest and inclination. These clubs play a pivotal role in honing a hobby and in moving the child into the learning mode. The student can choose from a spate of activities that are organized keeping in mind both aesthetic as well as contemporary viable pursuits. The Clubs give access to literary, cultural, science, home science, social and sports activities in a holistic way. The club activities will be organized every Thursdays from May 2023. It is mandatory for all students from Classes IX and X to attend the club activities. Students are required to choose one club from the below list. Their participation, performance and contribution will be assessed and graded.
