CIRCULAR (Classes IV to XII)

Dear Parents,
Greetings!

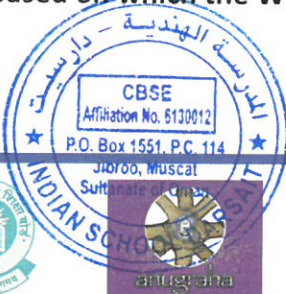

To catch them young and inspire them to capture the world around them is the aim of Nikon Photography Club of Indian School Darsait. We hope to encourage our young and aspiring photographers to hone their skills and learn to appreciate the skills of others by providing a platform to exhibit the images taken by them. With your whole-hearted support, our 4th ISD Nikon Photography Exhibition & Competition was a success and we embark on our next which we plan to hold on Thursday, 4th October 2018, the theme being "COLOURS OF LIFE".

We invite the participation of the students at the exhibition with no restriction on the number of participants & entries.

Guidelines for entries:

- Students from Class IV to XII are eligible to take part in this.
- The photographs are to be submitted without mount. The print size should be 8" x 12".
- Photos may be either Full colour or Black and White.
- There will be a selection process after which the best entries will be displayed.
- A printed label with the following information should be properly pasted at the centre of the reverse side of the photograph. Name of the photographer, School, Class and a suitable caption not exceeding 10 words. (format is given in the next page)
- *All entries must reach us on or before Thursday, 30th August 2018.*
- A student can send maximum 4 photos in hard copy in the size mentioned above.
- ISD Nikon Photography club has the right to use these photos in any form.
- *The prizes, awards and other details will be informed shortly.*

A set of selected entries will be awarded prizes based on the recommendations of a panel of experts. There will be an "on the spot Photography Competition" on the final day for the finalists based on which the Winners will be selected by the panel of judges.

We would request you to encourage students for maximum participation. For any queries please do contact Mr. Lal A Pillai (# 99792833), Dr. V.C. Govindarajan (# 92912158) or email us at isdoman@gmail.com.

Thanks & Regards,

Dr. Sridevi P. Thashnath
Principal
