CIRCULAR (KG I to XII)

Dear Parents

Greetings of the day!

We are delighted to inform you that the school will celebrate **Children's Day** on **Tuesday, 14th November 2023**. It will be a non-instructional day featuring various competitions, cultural programs, and more. As part of the festivities, we have decided to allow students to wear coloured clothes to school, following our school's policy.

The purpose of this celebration is to create a joyful and vibrant atmosphere for our students, fostering a sense of camaraderie and fun. Therefore, we kindly request your cooperation in adhering to the following guidelines:

1. Students are permitted to wear coloured clothes to school on the occasion of Children's Day that reflect the spirit of Children's Day while ensuring that the chosen attire is appropriate, comfortable, and complies with our school's dress code policy, which prohibits revealing, offensive, or inappropriate clothing.
2. Kindly ensure that your ward does not carry any gadgets like mobile phones or cameras to school on Children's Day. Confiscated items, if any, will not be returned.
3. As our primary concern is the safety and well-being of our students, we kindly request that children refrain from wearing expensive jewelry items to school on Children's Day. This will help prevent any potential loss or damage to valuable belongings.

We believe that this celebration will be a memorable experience for our students, promoting their creativity, confidence, and sense of belonging. We appreciate your support in making this event a success.

Warm regards,

Amar Srivastava
Principal
