## CIRCULAR (Classes I to V)

### COMMENCEMENT OF AFTERNOON SHIFT at ISD

Dear Parents

Greetings from ISD!

We would like to inform you that the school management has made a decision to start an afternoon shift for students in classes I to V. Along with this change, we are also planning to offer French as a third language during the afternoon session.

Ensuring an optimal learning environment is our top priority. Therefore, we are committed to maintaining a minimum student-teacher ratio in the afternoon classes to facilitate personalized attention and quality education.

Parents interested in shifting their ward to the afternoon session, may kindly write to the Vice Principal of the Primary Section at [viceprincipal@isdoman.com](mailto:viceprincipal@isdoman.com) on or before 15<sup>th</sup> May 2024.

Additionally, please note that new admissions for the AY 2024-25 will only be available for the afternoon shift, as our morning classes have reached maximum capacity.

Kindly note that all the activities conducted during the morning shift will be replicated in the afternoon shift, both in terms of academics and co-curricular activities.

Thank you for your continued support and cooperation.

Regards

  
Amar Srivastava  
Principal
