## CIRCULAR (KG to XII)

Dear Parents

Greetings of the day!

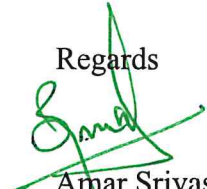

Recently, due to inclement weather conditions and in adherence to the advice of the Ministry of Education, we were unable to conduct in-person classes for three days, leading to academic disruptions for our students.

In order to minimize academic losses in the future, it has been decided that whenever such or any other similar situations arises, the school will transition to online classes for all students. This decision aims to ensure continuity in education and minimize disruptions to the learning process.

To facilitate smooth participation in online classes during such instances, we kindly request all parents to ensure that their children have access to the necessary devices at home, including a laptop or tablet, and a stable internet connection. This proactive measure will help prevent any inconvenience at the last minute and ensure that students can seamlessly continue their learning from home.

We appreciate your cooperation and understanding in this matter.

Regards

  
Amar Srivastava  
Principal
