CIRCULAR TO PARENTS (KG to class XII)

Dear Parents

Greetings from Indian School Darsait!

At ISD, we strongly believe in our community's commitment to ensuring education for all. Our **Sponsor a Child (SAC)** Initiative is a testament to this belief, aimed at supporting deserving students facing financial challenges. While the school management actively facilitates this initiative, your involvement as a parent can make a much bigger impact.

Previously, we reached out seeking Expressions of Interest for forming a Task Force to support this noble cause. However, we received no participation. Recognizing the significance of collective responsibility, we once again urge willing parents to step forward and contribute meaningfully.

The **SAC Task Force** will assist in:

- Supporting the School Management Committee (SMC) in identifying deserving students who genuinely need financial assistance.
- Helping in finding sponsors—through your personal and professional networks—to secure educational support for these students.
- Ensuring transparency by assessing financial eligibility and guiding the sponsorship process in a structured and ethical manner.

We invite parents who:

- Are willing to contribute time and effort to a social cause.
- Can assist in evaluating financial backgrounds while maintaining confidentiality.
- Have the ability to reach out to potential sponsors or donors.

Your involvement will directly impact a child's future, providing them with the education they rightfully deserve. If you are interested in joining this initiative, please send an email to principal@isdoman.com on or before **4 March 2025**, briefly stating your motivation for participating.

We sincerely hope this time, we receive your support in this vital community service.

Warm regards,

Amar Srivastava
Principal
