CIRCULAR (Classes X & XII)

Dear Parents

Greetings of the day!

This is to inform you that the dispersal timing for students of Classes X and XII writing the Common Pre-Board Examination is 10:35 a.m. (as per the date sheet). We request you to make the necessary arrangements for your ward's transportation soon after the examination at 10.35 a.m.

In case you are unable to do so, please do inform your ward's class teacher, and clearly instruct your child to wait only in the designated Reception area within the school premises and not anywhere else. This ensures the safety and proper supervision of our students.

We strongly discourage students from waiting outside the school premises unsupervised. Such situations can lead to safety concerns and may inadvertently create issues that affect the reputation of the school and the community at large.

There are times when students wait in school as late as 3.00 p.m. While reminding you that there are no teachers in school beyond 2.00 p.m., with only the administration staff working till 2.45 p.m., it is advisable to avoid leaving your ward in school for extended hours as it can be exhausting and inconvenient for them.

We take student safety and well-being as our highest priority and seek your cooperation in ensuring a smooth and safe environment for all. Your proactive support plays a vital role in maintaining discipline and upholding the reputation of our school within the community.

Thank you for your understanding and continued support.

Regards

Amar Srivastava
Principal
