CIRCULAR (Balvatika to class XII)

Dear Parents

Greetings of the day!

We would like to inform you that confirmed cases of chickenpox have been reported among our students. In the interest of the health and safety of all students and staff, classes for Grades I to XII will be conducted online on **Wednesday, 23 April** and **Thursday, 24 April 2025**. Classes for **Balvatika and Kindergarten** will remain **suspended** on these two days.

Students from Grades I to XII are requested to attend online classes through their respective teachers' Google Classrooms, following the **regular class timetable**.

Offline classes will resume on **Sunday, 27 April 2025**.

As chickenpox is highly contagious, we urge parents to remain vigilant and ensure that children stay indoors to minimize the risk of spreading the infection.

If your ward is infected, please ensure that both the infected child and their siblings are not sent to school when offline classes resume. A medical fitness certificate must be submitted to the infirmary after full recovery before the student is allowed to attend classes on campus.

We also request parents to report any confirmed cases of chickenpox to the respective class teacher without delay.

Thank you for your understanding and cooperation.

Stay safe.

Regards,

Amar Srivastava
Principal
