CIRCULAR TO PARENTS (Balvatika to Class XII)

Commencement of ISD Sports Infrastructure Project

Dear Parents

Greetings from Indian School Darsait!

On behalf of the School Management Committee, I am delighted to share a moment of pride and joy with you. The long-awaited ISD Sports Infrastructure Project has commenced, marking a significant milestone in our journey towards holistic development of our students.

This state-of-the-art sports facility has been thoughtfully planned to provide world-class infrastructure and to foster sporting excellence among our students. The project includes the following major components:

- A full-sized Football Ground
- A Synthetic Running Track (4 lanes)
- A Multipurpose Court for Volleyball, Basketball, and Badminton
- Cricket Practice Pitches (4 in number)
- Long Jump Pit

We firmly believe that these facilities will enable our students to reach newer heights in the field of sports and games, complementing their academic pursuits with physical fitness and team spirit.

While the construction work is underway, we kindly seek your understanding and cooperation. There may be minor inconveniences during this period, and we assure you that all necessary safety measures will be in place to ensure minimal disruption to the school's day-to-day functioning.

Let us move forward together with the shared vision of providing the best opportunities to our children.

With warm regards,

Amar Srivastava
Principal
