CIRCULAR (Classes IX and X)

Dear Parents

Greetings from ISD!

To foster holistic development, ISD provides its students a number of School Clubs which capitalizes on the student's interest and inclination. These clubs play a pivotal role in honing a hobby and in moving the child into the learning mode. Students can choose from a variety of activities that are organized keeping in mind both aesthetic as well as contemporary viable pursuits. The Clubs give access to literary, cultural, science, home science, social and sports activities in a holistic way. The club activities will be organized every alternate Thursday from May 2025. It is mandatory for all students in classes IX and X to attend the club activities.

Students are required to choose any one club from the list below and inform their respective class teacher on or before 01 May 2025. Their participation, performance and contribution will be assessed and graded.
