Dear Parents,

Warm greetings to you and your family.

It is with great pride and optimism that we share an important leadership update at Indian School Darsait.

We extend our heartfelt appreciation to our outgoing Principal, Mr. Amar Srivastava, for his dedicated service and valuable contributions to our school community. His leadership and unwavering support have strengthened our institution, and we wish him continued success in his future endeavors.

We are delighted to welcome our new Principal, Dr. S. Srinivasan, who has taken charge of our school from today. With his vast experience in the schooling system of Oman and strong vision, we are confident that he will guide our institution towards new heights of excellence.

Our journey as a school remains focused on continuous improvement in academics, culture, and in the holistic development of every child. Under Dr. Srinivasan's leadership, we look forward to further strengthening our learning environment and nurturing a culture of positivity, discipline, innovation, and mutual respect.

We believe meaningful progress is achieved when the school and parents work together with trust and shared purpose. We seek your continued support as we begin this new chapter.

Thank you for your trust and partnership.

Best Regards,

Shalimar Moideen
President
School Management Committee
