Let Books Travel! Donate a Book, Inspire a Reader!

Dear Parents and Students,

Greetings of the day!

Books are meant to be read, shared, and cherished. Let yours find a new home in our library. We are pleased to invite you to contribute story books for our school library and support us by enriching our library with a variety of books that will open minds and spark curiosity.

Parents and students who are interested to donate books such as storybooks, novels, and other age-appropriate reading materials which are in good condition, are encouraged to donate the same to their respective class teacher.

We sincerely appreciate your support and generosity in making our school library a more engaging and resourceful place for learning. One book can inspire a thousand possibilities. May you be the reason a young mind discovers them.

Regards,

Dr. S. Srinivasan
Principal
