CIRCULAR (Classes VI to XII)

Dear Parents

Greetings of the day!

We are pleased to inform you that our students of Classes VI to XII have the opportunity to participate in the **National Entrepreneurship Challenge (NEC) Junior 2026**, a prestigious six-month national programme organized by the **Entrepreneurship Cell (E-Cell), IIT Bombay**.

As part of this initiative, students will establish and actively manage an **Entrepreneurship Club** under the guidance of teacher mentors. Throughout the programme, they will engage in a series of structured entrepreneurial activities, projects, and challenges designed to nurture creativity, innovation, leadership, teamwork, and problem-solving skills.

This initiative is closely aligned with the vision of the **National Education Policy (NEP) 2020**, which emphasizes experiential learning, critical thinking, innovation, collaboration, and the development of entrepreneurial competencies. Participation in the programme will provide students with valuable practical exposure to entrepreneurship while helping them build confidence, leadership, decision-making, communication, and organizational skills—essential attributes for future academic and professional success.

Interested students may register their names with their respective Class Teachers on or before **20 July 2026** by submitting their Full Name, Class, and GR Number.

We encourage all parents to support and motivate their children to become active members of this enriching initiative. Together, let us inspire our students to embrace innovation, cultivate leadership, and develop the entrepreneurial mindset required to become responsible, confident, and future-ready global citizens.

For any queries, please contact **Dr. Femina S. R., HoD – Commerce**, at femina@isdoman.com.

Regards

Dr. S. Srinivasan
Principal
