Circular (KG to XII)

Dear Parents

Greetings of the Day!

As we begin the new academic year 2026-27, the School Management and Staff extend heartfelt gratitude for your continued support of the "Recommended School Transport Vendors" initiative. We request you to avail or renew this facility for your ward for the upcoming academic year.

Under the Recommended School Transport Vendors system, buses operate across the capital area to ensure safe and reliable transportation for students.

The following are the only recommended transporters under this system:

- Mr. Kabeer Palakkal (M/s Mohsin Al Zadjali)
- Mr. Praveen Devassy (M/s Deep Root Business LLC)
- Mr. Deepesh T.D. (Bowsher Diamond Wall)

Parents are strongly advised to use only the transporters listed above, as the school will not be responsible for any arrangements made with unauthorized/private service providers. The details of routes along with rates are appended below for your reference.

Please note that the school will review vendor performance every three months. Any changes to the recommended list, based on service quality, will be communicated through official school circulars.

Warm regards

Amar Srivastava
Principal
